

Storskogen acquires Brandprojektering Sverige

PRESS RELEASE, 2022-02-04

Storskogen has entered into an agreement to acquire 70 percent of the shares in Brandprojektering Sverige, a consultancy firm specialising in fire safety and risk management. The company employs 20 consultants and reported a turnover of SEK 27.6m and an EBITA of 9.6m for the financial year 2020/2021.

Brandprojektering Sverige provides consulting services within technical fire protection in connection with new- and re-productions. The company has offices in Västerås, Skövde, Linköping, Norrköping, and Eskilstuna and are active throughout Sweden. The company also offers services for routine administration by assisting property owners and operators in establishing routines for the systematic fire protection work.

Brandprojektering Sverige was founded by Alexander Alniemi, Robin Emanuelsson and Robin Tolonen, who will continue to lead the company after the transaction.

“We are very proud to have Storskogen as a new investor and partner in our business. Together with our fantastic employees and customers we are inspired to take the company to the next level”, says Alexander Alniemi, CEO of Brandprojektering Sverige.

Brandprojektering Sverige will be part of Storskogen’s business area Services and the vertical Engineering Services, for which Thomas Pilo is responsible.

“We are happy that Brandprojektering Sverige will become part of Storskogen. The company offers high quality services and has a leading position within their market and is therefore a great complement to our current portfolio of service businesses. I look forward to follow and support the company on its continued journey”, says Thomas Pilo, Investment Director at Storskogen

The acquisition is expected to be completed in middle of the first quarter of 2022.
